

END USER INTERACTION STORY BOARD II

Doctor Bob is training Receptionist Katie on how to add a new Client. He shows her how simple it is.

Home Page/Clients

1. Loads the application.

2. Clicks the Clients button tab.

3. Clicks the Add New Client button.

Add New Client

4. New Client Form pops up.

5. Enters the information needed:
> Client Name
> Pet Name
> Phone Number
> Home Address
> City
> Country

6. Clicks Add Client.

7. New Client is added to the list.

End.
